

AGENDA

The integration of Indigenous knowledge in Oceans Protection Plan initiatives

Context and objectives of the meeting :

- Meeting with Transport Canada and Natural Resources Canada representatives
- Follow-up on mobilization meetings held as part of the Oceans Protection Plan in February 2019
- Reflections on the integration of Indigenous knowledge in OPP initiatives and more generally in initiatives of the federal government
- Objective of the meeting: to structure the work and initiate the reflections based on the assessment of the cumulative effects of marine shipping, an OPP initiative
